

Hearing Loss?

Providing Information, Education, Support, and Advocacy

The Denver Chapter of the Hearing Loss Association of America is an all-volunteer group with meetings that are hearing accessible with a hearing loop and CART captioning. We invite you to join us. We:

- provide a community of people with hearing loss who understand and are empathic to your needs.
- bring in professional speakers to discuss various aspects of hearing loss and hearing solutions.
- share technologies beyond your hearing aids that will enhance your ability to function in the world.
- teach you how to develop successful communication strategies with friends, family, and work.
- empower you through exchange of knowledge, encouragement, and the sharing of experiences.

Join us!

Monthly meetings are held Sept – June on the 3rd Saturday from 1:00pm–3:00pm.
